Date of Birth \_\_\_\_\_ Place of Birth \_\_\_\_\_

This is my \_\_\_\_\_ semester in \_\_\_\_\_ High School, and my \_\_\_\_\_ semester since first entering the ninth grade. Last semester I attended \_\_\_\_\_ School and passed \_\_\_\_\_ credit subjects, and I am taking \_\_\_\_\_ credit subjects this semester. I have read the condensed individual eligibility rules of the Virginia High School League that appear below and believe I am eligible to represent my present high school in athletics.

**INDIVIDUALIZED ELIGIBILITY RULES**

To be eligible to represent your school in any VHSL interscholastic athletic contest, you:

- Must be a regular bona fide student in good standing of the school you represent.
- Must be enrolled in the last four years of high school. (Eighth-grade students may be eligible for junior varsity)
- Must have enrolled not later than the fifteenth day of the current semester.
- For the first semester must be currently enrolled in not fewer than five subjects, or their equivalent, offered for credit and which may be used for graduation and have passed five subjects, or their equivalent, offered for credit and which may be used for graduation the immediately preceding year or the immediately preceding semester for schools that certify credits on a semester basis. (Check with your principal for equivalent requirements.) **May not repeat courses for eligibility purposes for which credit has been previously awarded.**
- For the second semester must be currently enrolled in not fewer than five subjects, or their equivalent, offered for credit and which may be used for graduation and have passed five subjects, or their equivalent, offered for credit and which may be used for graduation the immediately preceding semester. (Check with your principal for equivalent requirements.)
- Must sit out all VHSL competition for 365 consecutive calendar days following a school transfer unless the transfer corresponded with a family move. (Check with your principal for exceptions.)
- Must not have reached your nineteenth birthday on or before the first day of August of the current school year.
- Must not, after entering ninth grade for the first time, have been enrolled in or been eligible for enrollment in high school more than eight consecutive semesters.
- Must have submitted to your principal before any kind of participation, including tryouts or practice as a member of any school athletic or cheerleading team, an Athletic Participation/Parent Consent/Physical Examination Form, completely filled in and properly signed attesting that you have been examined during this school year and found to be physically fit for competition and that your parents' consent to your participation.
- Must not be in violation of VHSL Amateur, Awards, All Star or College Team Rules. (Check with your principal for clarification about cheerleading.)

Eligibility to participate in interscholastic athletics is a privilege you earn by meeting not only the above-listed minimum standards, but also all other standards set by your League, district and school. If you have any question regarding your eligibility or are in doubt about the effect an activity might have on your eligibility, **check with your principal for interpretations and exceptions provided under League rules.** Meeting the intent and spirit of League standards will prevent you, your team, school and community from being penalized. Additionally, I give my consent and approval for my picture and name to be printed in any high school or VHSL athletic program, publication or video.

**LOCAL SCHOOL DIVISIONS AND VHSL DISTRICTS MAY REQUIRE ADDITIONAL STANDARDS TO THOSE LISTED ABOVE.**

→Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**PROVIDING FALSE INFORMATION WILL RESULT IN INELIGIBILITY FOR ONE YEAR.**

The pre-participation physical examination is not a substitute for a thorough annual examination by a student’s primary care physician.

**PART II- MEDICAL HISTORY (Explain “YES” answers below)**

This form must be complete and signed, prior to the physical examination, for review by examining practitioner.  
Explain “YES” answers below with number of the question. Circle questions you don’t know the answers to.

GENERAL MEDICAL HISTORY		YES	NO	MEDICAL QUESTIONS CONTINUED		YES	NO		
1. Do you have any concerns that you would like to discuss with your provider?	<input type="checkbox"/>	<input type="checkbox"/>	24. Have you had mononucleosis (mono) within the last month?	<input type="checkbox"/>	<input type="checkbox"/>				
2. Has a provider ever denied or restricted your participation in sports for any reason?	<input type="checkbox"/>	<input type="checkbox"/>	25. Are you missing a kidney, eye, testicle, spleen or other internal organ?	<input type="checkbox"/>	<input type="checkbox"/>				
3. Do you have any ongoing medical conditions? If so, please identify: <input type="checkbox"/> Asthma <input type="checkbox"/> Anemia <input type="checkbox"/> Diabetes <input type="checkbox"/> Infections <input type="checkbox"/> Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	26. Do you have groin or testicle pain or a painful bulge or hernia in the groin area?	<input type="checkbox"/>	<input type="checkbox"/>				
			27. Have you ever become ill while exercising in the heat?	<input type="checkbox"/>	<input type="checkbox"/>				
4. Are you currently taking any medications or supplements on a daily basis?	<input type="checkbox"/>	<input type="checkbox"/>	28. When exercising in the heat, do you have severe muscle cramps?	<input type="checkbox"/>	<input type="checkbox"/>				
			29. Do you have headaches with exercise?	<input type="checkbox"/>	<input type="checkbox"/>				
5. Do you have allergies to any medications?	<input type="checkbox"/>	<input type="checkbox"/>	30. Have you ever had numbness, tingling or weakness in your arms or legs or been unable to move your arms or legs <u>AFTER being hit or falling</u> ?	<input type="checkbox"/>	<input type="checkbox"/>				
6. Do you have any recurring skin rashes or rashes that come and go, including herpes or methicillin-resistant Staphylococcus aureus (MRSA)?	<input type="checkbox"/>	<input type="checkbox"/>		31. Do you or does someone in your family have sickle cell trait or disease?	<input type="checkbox"/>	<input type="checkbox"/>			
7. Have you ever spent the night in the hospital? If yes, why? _____	<input type="checkbox"/>	<input type="checkbox"/>	32. Have you had any other blood disorders?	<input type="checkbox"/>	<input type="checkbox"/>				
8. Have you ever had surgery?	<input type="checkbox"/>	<input type="checkbox"/>	33. Have you had a concussion or head injury that caused confusion, a prolonged headache or memory problems?	<input type="checkbox"/>	<input type="checkbox"/>				
<b>HEART HEALTH QUESTIONS ABOUT YOU</b>			<b>YES</b>	<b>NO</b>					
9. Have you ever passed out or nearly passed out DURING or AFTER exercise?	<input type="checkbox"/>	<input type="checkbox"/>	34. Have you had or do you have any problems with your eyes or vision?	<input type="checkbox"/>	<input type="checkbox"/>				
10. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?	<input type="checkbox"/>	<input type="checkbox"/>	35. Do you wear glasses or contacts?	<input type="checkbox"/>	<input type="checkbox"/>				
11. Does your heart race, flutter in your chest or skip beats (irregular beats) during exercise?	<input type="checkbox"/>	<input type="checkbox"/>	36. Do you wear protective eyewear like goggles or a face shield?	<input type="checkbox"/>	<input type="checkbox"/>				
12. Has a doctor ever ordered a test for your heart? For example, electrocardiography or echocardiography.	<input type="checkbox"/>	<input type="checkbox"/>	37. Do you worry about your weight?	<input type="checkbox"/>	<input type="checkbox"/>				
13. Has a doctor ever told you that you have any heart problems, including: <input type="checkbox"/> High blood pressure <input type="checkbox"/> A heart murmur <input type="checkbox"/> High cholesterol <input type="checkbox"/> A heart infection <input type="checkbox"/> Kawasaki Disease <input type="checkbox"/> Other _____	<input type="checkbox"/>	<input type="checkbox"/>	38. COMMENTS:		

I have reviewed the data above, reviewed his/her medical history form and make the following recommendations for his/her participation in athletics:

- MEDICALLY ELIGIBLE FOR ALL SPORTS WITHOUT RESTRICTION**
- MEDICALLY ELIGIBLE FOR ALL SPORTS WITHOUT RESTRICTION WITH RECOMMENDATION FOR FURTHER EVALUATION OR TREATMENT OF:** \_\_\_\_\_
- MEDICALLY ELIGIBLE ONLY FOR THE FOLLOWING SPORTS:** \_\_\_\_\_  
Reason: \_\_\_\_\_
- NOT MEDICALLY ELIGIBLE PENDING FURTHER EVALUATION OF:** \_\_\_\_\_
- NOT MEDICALLY ELIGIBLE FOR ANY SPORTS**

By this signature, I attest that I have examined the above student and completed this pre-participation physical including a review of Part II- Medical History.

→ PRACTITIONER SIGNATURE: \_\_\_\_\_ (MD, DO, NP or PA)+ DATE\*\*: \_\_\_\_\_  
 EXAMINER'S NAME AND DEGREE (PRINT): \_\_\_\_\_ PHONE NUMBER: \_\_\_\_\_  
 ADDRESS: \_\_\_\_\_ CITY: \_\_\_\_\_ STATE: \_\_\_\_\_ ZIP: \_\_\_\_\_

**+Only signature of Doctor of Medicine, Doctor of Osteopathic Medicine, Nurse Practitioner or Physician's Assistant licensed to practice in the United States will be accepted.**

Rule 28B-1 (3) Physical Examination Rule/Transfer Student (10-90)- When an out-of-state student who has received a current physical examination elsewhere transfers to Virginia and attaches proof of that physical examination to the League form #2, the student is in compliance with physical examination requirements.

**PART IV- ACKNOWLEDGEMENTS OF RISK AND INSURANCE STATEMENT**

(To be completed by parent/guardian)

I give permission for \_\_\_\_\_ (name of child/ward) to participate in any of the following sports that are NOT crossed out: baseball, basketball, cheerleading, cross country, field hockey, football, golf, gymnastics, lacrosse, soccer, softball, swim/dive, tennis, track, volleyball, wrestling, other (identify sports): \_\_\_\_\_

I have reviewed the individual eligibility rules and I am aware that with the participation in sports comes the risk of injury to my child/ward. I understand that the degree of danger and the seriousness of the risk varies significantly from one sport to another with contact sports carrying the higher risk. I have had an opportunity to understand the risk inherent in sports through meetings, written handouts or some other means. He/she has student medical/accident insurance available through the school (yes\_\_ no\_\_); has athletic participation insurance coverage through the school (yes\_\_ no\_\_); is insured by our family policy with:  
Name of medical insurance company: \_\_\_\_\_

Policy number: \_\_\_\_\_ Name of policy holder: \_\_\_\_\_

I am aware that participating in sports will involve travel with the team. I acknowledge and accept the risks inherent in the sport and with the travel involved and with this knowledge in mind, grant permission for my child/ward to participate in the sport and travel with the team.

By this signature, I hereby consent to allow the physician(s) and other health care provider(s) selected by myself or the school to perform a pre-participation examination on my child and to provide treatment for any injury or condition resulting from participation in athletics/activities for his/her school during the school year covered by this form. I further consent to allow said physician(s) of health care provider(s) to share appropriate information concerning my child that is relevant to participation in athletics and activities with coaches and other school personnel as deemed necessary.

Additionally, I give my consent and approval for the above named student's picture and name to be printed in any high school or VHSL athletic program, publication or video.

To access quality, low-cost comprehensive health insurance through FAMIS for your child, please contact Cover Virginia by going to [www.coverva.org](http://www.coverva.org) or calling 855-242-8282.

**PART V- EMERGENCY PERMISSION FORM\***

(To be completed and signed by the parent/guardian)

The pre-participation physical examination is not a substitute for a thorough annual examination by a student's primary care physician.

# PARENT & ATHLETE CONCUSSION INFORMATION SHEET

## WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

## WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury. The athlete should only return to play with permission from a health care professional experienced in evaluating for concussion.

## SYMPTOMS REPORTED BY ATHLETE:

- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not “feeling right” or is “feeling down”

## DID YOU KNOW?

- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.

## SIGNS OBSERVED BY COACHING STAFF:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can’t recall events prior to hit or fall
- Can’t recall events after hit or fall

[ INSERT YOUR LOGO ]

**“IT’S BETTER TO MISS ONE GAME THAN THE WHOLE SEASON”**

## CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

## WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

1. If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.
2. Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, and playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.
3. Remember: Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

## WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.
